

2018 Great American Jeep Rally Club Registration

Hello and thank you for wanting to be part of the Great American Jeep Rally. Please fill out the below information so we are able to get you set up. Having this information prior to the Rally makes it easier and faster for all of us come the day of the Rally.

Club Name: _____

Club Representative: _____

Contact Email: _____ Contact Phone Number: _____

Any Jeeps parked at a booth must be in the gates by 7:45am and will not be allowed to move due to safety concerns. Will your club have a Jeep in the booth? YES: _____ NO: _____

We cannot allow any Jeeps to be "stacked". This has caused a safety issue at another event and we obviously do not want a repeat of that at Jeep Rally. Thank you for understanding.

All Clubs are given a 15' wide x 20' deep space at no charge. If you require a larger space or have any other special needs, please contact info@jeeprally.org.

Thank you,

Great American Jeep Rally Staff
